Presenting generous allotments with two street frontages, totalling a sprawling 1,841sqm* across three freehold titles, this property offers unparalleled potential and versatility. The property is located in the small town of Thangool, 11km* from Biloela, which features a local pub, service station, parkland, reputable school and airport, all within walking distance of the property. Recently re-stumped for added stability, this cosy home is the perfect canvas for your renovation dreams and offers vacant possession. It boasts three bedrooms, two with air-conditioning and built-in wardrobes. There is a combined kitchen and dining room with a breakfast bar and electric cook top. The entrance living room has a split-system air-conditioner. The family bathroom has recently been renovated, with a separate toilet for added convenience. The laundry is internal, with access outside to the carport or entertainment area. All three allotments are fully enclosed, mostly by way of a 6ft private colourbond fence. With essential services including electricity and town water already in place, all that's left to do is let your imagination run wild. Don't miss out on this rare opportunity to secure three adjoining allotments! Contact Bronte at Ray White Biloela for further information or to arrange your private inspection. *Approx
