Like a boutique sanctuary, peacefully cast amidst the treetops and yet only metres from Toorak Village, this strikingly renovated, two bedroom apartment has been crafted to defy cliché while framing the most soothing leafy outlooks in all directions. Securely set on the second floor / top floor of the sought-after 'Tintern Lodge' building, this is a prized offering that fills with the natural light of its prized northern orientation. Finished with stone working surfaces and an eye-catching tiled splash back, the kitchen / dining / living reveals stainless steel appliances and a clever study nook as it flows through a north-facing, floor-to-ceiling wall of glass to a sun-dappled balcony of remarkable tranquility. The bathroom, too, is a showpiece with a stone-topped vanity, more bold feature tiling and a frameless screened shower, in this highly secure apartment with intercom entry, secure parking, built-in robes in each bedroom and a concealed laundry in the bathroom. Just the easiest of walks from all the ritzy cafes, bars, restaurants and shopping of Toorak Village, as well as the city-bound Number 58 tram, whilst Hawksburn Village, Hawksburn Railway Station and even Chapel Street are also within easy reach.
