Sweet, neat and destined to make your debut in property ownership enjoyable, this one bedroom apartment makes equally irresistible sense from an investment perspective. Proximity to Sunshine station, several parks and Sunshine's shopping and business hub enhances the appeal of an entry level address featuring well-maintained proportions, timber float flooring, inviting living/meals, an open-plan kitchen and a generous bedroom with an ensuite. An allocated car space adds an ideal finishing touch to an apartment that makes starting out simple and finding that first foothold in the market easy.
