Located in a quiet one-way street just minutes from both Toorak and Hawksburn Villages shops and cafes, this stunning renovated three-bedroom town residence with a north-facing courtyard garden and secure double remote garage is the ultimate in low-maintenance inner city living. Boasting its own street frontage via an immaculate courtyard, an expansive open design north-facing living flows effortlessly through to a large family-sized renovated Bosch equipped kitchen with integrated Liebherr refrigerator/freezer, finished with sleek stone bench tops and abundant storage space. Adjoining is an informal sunlit dining space, flanked by floor-to-ceiling glass with access to a north-orientated courtyard garden featuring an external remote awning. Upstairs three bedrooms all feature built-in robes, including a spacious master retreat with a fully tiled ensuite boasting views over Toorak Village, a separate central bathroom as well as a guest powder room on the ground level, complete with direct internal access to an oversized secure double garage with extensive storage space. Features include an alarm system, ducted heating/cooling, and a separate laundry room.
