12 Month Lease, Sorry no pets This two-storey 1 bedroom, 1 bathroom home with single covered carport is part of a larger apartment complex on the south-eastern side of town. It will appeal to a single or couple seeking convenience without a large yard to maintain. With the comfortable bedroom and bathroom upstairs, downstairs boasts a light-filled living area and kitchen, separate toilet and laundry, plus sliding doors that open to paved and private front and rear courtyards. Features include R/C air conditioner, 600mm electric cooktop / electric oven, rangehood and electric storage hot water system. A lockable small storage room adjoining the carport is perfect for securing bikes and boards. ****PLEASE NOTE**** Our offices do not accept 1Form or paper applications. All applications must be submitted electronically. Once you have registered for viewing the property, a link for 2Apply will be sent to you so that you can complete the application electronically.
