New York inspired living becomes reality with this contemporary two bedroom two bathroom apartment of approximately 88m2 internally, enviably positioned for outstanding inner city living.Enter spacious open plan living flooded in natural light where extensive glazing and a stylish corner window offer leafy views of the complex's garden courtyard below. Shadow detail on a stone topped kitchen complete with Blanco/Bosch appliances makes a classy statement in a domain that opens to an alfresco balcony offering a private outdoor space to take in the sun, while spacious bedrooms with mirrored robes are accompanied by two timelessly appointed bathrooms, the master bedroom with a granite topped vanity in the ensuite and huge sliding doors to the balcony. Add to this a Euro laundry, heating/cooling, secure entry and car space. Central to Brunswick and Smith Street entertainment precincts, near Fitzroy North Village, Edinburgh Gardens and Queens Parade shopping, inspection will impress.
