Penrith is truly the jewel on the crown of western suburbs. This fantastic unit has been built to a high standard with top quality fixtures and appliances throughout. This complex will not disappoint. This apartment features a spacious free flowing open plan design, two extra large size bedrooms both with built in wardrobes, a stylish ensuite to main. There's a large open plan kitchen with Caesar stone bench tops, stainless appliances, and heaps of cupboards. Quality timber laminate flooring, tiled balcony, split system air conditioner, security basement car parking and large storage room. Located in Jamisontown this unit is situated in close proximity to Primary & secondary schools, medical facilities, walking distance to Centro Nepean and Panthers World of Entertainment and Pepper Stadium, also located near bus stops for ease to public transport. This unit is the ideal investment opportunity currently leased to a long term tenant.
