Impressive in size including bathroom and the extra rooms underneath, excellent parking and pergola out the back this home was built with family living in mind. With an enclosed front verandah adding to the spaciousness upstairs, you enter to a relaxed and tranquil air-conditioned living / dining area. Kitchen adjacent makes for inclusive family atmosphere to further enhance family lifestyle. The kitchen boasts excellent bench space, microwave nook, plenty of cupboards for storage including pantry to keep everything in its place. The upstairs bathroom has shower over the bath, tidy vanity unit with mirror shaving cabinet to the side and easy care flooring to complete. Separate toilet nearby for convenience. The bedrooms are a good size with air conditioning, built-in wardrobes and carpet flooring for that luxury finishing touch. Underneath includes secure parking, a large bathroom with shower cubicle, tidy vanity and toilet plus two large rooms making this home incredibly comfortable with room for all to enjoy. The 700 sq m freehold block has fencing to two sides of the backyard, garden shed and pergola area.
