With easy access to eastern freeway, the new park & ride bus system, the 3 hospitals in Heidelberg as well as the train and major shopping strips, this massive site is perfect for a full renovation, re-develop to units (STCA) or build your dream home like the neighbour is doing right now. Set on approx. 753 sqm, the home comprises of a formal lounge, timber kitchen with meals area, 3 bedrooms, single bathroom with a tub & generous size laundry. Other features include hardwood floors, garage and side carport, large north-east backyard with views and many newly built town homes and re-builds on either side of the street.
