A light-filled and spacious design is revealed behind the classic full brick facade of this immaculate traditional bungalow. Cleverly modernised to offer an excellent family residence, it presents a haven of leafy privacy and features a range of up-to-date finishes, perfectly retained period details and a layout that's great for those who love to live and entertain in effortless style. The property is fresh, bright and full of quality plus it's ideally positioned in a boutique cul-de-sac that's walking distance to the Taverners Hill light rail stop and MarketPlace shopping, with easy access to Norton Street's cafe and dining options, and the train station at Lewisham. Occupying a generous level block that faces north to the rear. Light and breezy design with supremely easy-to-maintain interiors. An expansive open plan living space that connects to the outside. Large alfresco deck overlooking a leafy garden haven and private lawn. Quality gas kitchen featuring stainless-steel benchtops and appliances. Three double bedrooms, renovated full bathroom with heated floors. Air-conditioning, alarm system, gas heating and built-in wardrobes. In a wide tree-lined street with plenty of resident parking available.
