Discover the perfect blend of modern and suburban charm in this exquisite, five bedroom, family home. Nestled in a great location, this property offers an unparalleled lifestyle. The large lounge room offers air conditioning, a warming fireplace and timber floors that flow past the large kitchen up to the second level. This split level design of the home provides separation from the living spaces to the bedroom wing, with three bedrooms and family bathroom. Internal stairs again lead you to the top floor, housing the spacious main bedroom, complete with private ensuite, plus the fifth bedroom and an extra living room. Entertain family and friends in style with a beautiful landscaped backyard featuring an inviting inground pool. Whether you're relaxing by the poolside or hosting gatherings, this home provides the ideal backdrop for creating cherished memories. With ample space for a growing family and a prime location that offers convenience and tranquility. The home is conveniently located only a hop, skip and a jump to the Goonellabah Shopping Village, Sports and Aquatic Centre, sporting fields and schools.
