AUCTION REGISTER / VIEW LINK: <https://buy.realtair.com/properties/115232> Immerse yourself in a world of unparalleled comfort and style within this expansive residence, where oversized living areas graced by Daikin ducted air conditioning seamlessly blend with a commitment to sustainability. Experience the ease of energy-efficient living with an expertly installed solar system, reducing your carbon footprint and saving you money on utilities. With three generously sized bedrooms and two modernized bathrooms, this property offers a rejuvenating living experience that caters to every family member's needs. Step outside to discover an inviting in-ground fiberglass pool, a shimmering oasis surrounded by a lush landscape nurtured by a spear bore watering system on 4 stages with timer control. The impressive triple shed, complete with convenient side access, awaits your vehicles or transformation into a dream workshop, perfect for crafting your next masterpiece. Completely repainted inside and out, this property exudes an aura of contemporary style and impeccable maintenance. Embrace the epitome of comfort, style, and energy efficiency in this meticulously designed haven.
