This neat and tidy home is ready for its new tenants! The three-bedroom, 1-bathroom home is neat and tidy and well-presented throughout. The home has split systems throughout that have all just been serviced. All 3 bedrooms are carpeted, and the bathroom has a separate toilet. The large yard is pet friendly and comes with a large outdoor verandah that looks out to the pool and shed. The home has 1 x undercover parking bay but plenty of room for other vehicles on site.
