If you have been looking for the ultimate family home that offers enough room for the large family, then look no further you have found it. In the gorgeous new estate of Ferntree Ridge, the perfect place between town and country with infrastructure catching up fast this is the most up and coming area of Drouin. To the front of the home is a spacious formal lounge to one side and master with walk in robe and ensuite to the other. Through to the theatre room, also a great size or can be converted to a study for those that work from home or an additional bedroom. The kitchen is well appointed with 900 mm appliances, loads of storage and stone bench tops and is complimented by a really good size butlers pantry and a stand alone walk in pantry, the place the family chef will love. The open lounge and dining area opens out to the alfresco and back yard where you can enjoy the family BBQ and watch the children play. Five good size bedrooms with built in robes and one with a walk in robe. There is a main bathroom to service this area of the home. Ducted heating and cooling to be comfortable all year round.
