\$720,000

This property offers excellent value for money when you look at some of the features and then compare to other properties. These include Ducted reverse cycle heating and cooling, Solar panels, 4 bedrooms plus study or 5th bedroom, 3 living areas, large walk in pantry with direct access from the double garage and well appointed kitchen and 3 toilets just to name a few. The rear yard access is excellent with no height restriction, all this in Echuca`s growth corridor and overlooking the park. Call today for an inspection that will impress.
