Polished timber flooring to the large lounge room, hallway and the bedrooms makes a great first impression to this tidy four bedroom home. The kitchen has excellent cupboard space including the ones overhead with glass doors for that extra feature. Bench space to three sides of the kitchen will make this an easy to use work area with electric upright stove to complete. The kitchen and dining area adjacent have vinyl flooring for ease of cleaning. The bedrooms are a good size with built-in wardrobes to two. Boasting a large window to the bathroom this gives a light and airy feeling upon entering. A separate shower to the bath, white vanity unit and tiled flooring complete this area. The toilet is separate and nearby for convenience. With a large cupboard to the end of the hallway storage is well taken care of. Ceiling fans and air conditioning units complete upstairs. Laundry room under the home is separate to the excellent storage / car parking area. Situated on an 809 sq m approx. freehold block this home is awaiting inspection.
