Yes you will be very glad you decided to inspect this wonderful home and yes the space available and class fitout will have jaws dropping. Comprising 4 bedrooms, which are all just a little larger than most. The kids area of the house includes 3 bedrooms, family bathroom, toilet and a great living/games room. The master suite at the front has a spacious ensuite bathroom and walk-in robe and directly opposite is the parents lounge where you can enjoy a relaxing coffee and book. Centrally located is a wonderful stone benchtop kitchen with induction cooking and smoked mirror glass splashback along with double wall ovens. The walk in pantry and storage area is something that needs to be seen to be believed. The kitchen is part of the spacious open plan living which opens to a great outdoor area for those that love to entertain. Creature comfort includes gas central heating, reverse cycle air conditioning and double glazed windows. For those that love streaming movies or their favourite series, enjoy the theatre room complete with 3D projector, 2.6 metre screen and surround sound system which will stay with the home. The oversized double garage has access to the yard. You'll find plenty of room on the flat 800m² allotment which also includes a fully automatic watering system throughout the grounds and a 4mx4m colourbond garden shed which is ideal for the hobbyist. Call today to arrange an inspection!
