Enjoy a peaceful morning coffee out on the front terrace of this tremendous property, as you take in the picturesque harbour, bush and hinterland aspect. It is nestled in a quality contemporary estate just a short walk from various parks and within an easy drive of the local harbour boat ramp, and rivers, beaches and family amenities. Completed in 2017, the highly-desirable home features an expansive layout and stands on a slightly-elevated, low-maintenance lot, with a wonderfully private, sunny aspect backyard. The appealing entry hall flows to a superb lounge and quality master suite, both of which harness the vistas. The master suite has an upscale edge from the walk-in robe to the twin vanity, separate toilet ensuite. Eye catching to say the least, is the huge open hub revealed at the end of the entry hall, which also flows to a separate dedicated, cavity slider door media room. The light-filled coffered ceiling living and dining area, with air con, is a stand-out, and the substantial, high standard, double garage access galley kitchen is also quite the showpiece. Loving the high-spec Smeg appliances, sweeping benchtops, copious amount of storage and the feature picture window, which invites the private outdoors in. Entertain in style indoors or savour the sunny, private aspect of the rear alfresco and neat backyard. The family wing has also been well-planned and executed, with its modern bathroom, and robes in the laundry and all the spacious bedrooms. Act now to avoid missing out.
