As a family, it's important to find a home that offers you flexibility to grow through the life cycle. Not only does this elevated family home impress with the polished presentation of glamorous new bamboo floors, a sparkling oasis pool & BBQ patio, & also separate living quarters with own private entrance, bathroom, bedroom & living space on the ground floor. That versatile dual living caters for young adults, inter-generational family, or a boarder. A prime position just a few doors from the park & playground, & a short walk to Vermont South Shopping Centre, restaurants, gym, library, bus stop & tram terminus.*** IMPORTANT!
