This three bedroom home in Andergrove has been completely refurbished. The white paint throughout makes it feel fresh and inviting. From the minute you walk through the front door you can tell it has been well maintained. A good size lounge that leads into the dining and kitchen area with the kitchen having a dishwasher, ample cupboard/drawer space and a great pantry. All bedrooms are a good size with the main having its own shower. Tiled and Air conditioned throughout makes for comfortable living. The laundry has lots of cupboard space and could be a home office. Step out to the covered entertaining area with a built-in BBQ (which is staying) and over looks the salt water pool with beautiful gardens throughout the property giving it a very tropical feel. Other features include a two bay powered shed, garden shed, veggie gardens, bore facilities and is situated on a 750m² fully fenced block. Good side access, even for a caravan! Located in a quiet area of Andergrove and close to all amenities. This property will not last long on the market so call today to arrange an inspection.
