Thoughtfully transformed into a bright and beautiful haven, this elevated three bedroom house is a natural entertainer in a family friendly locale. Fresh and effortlessly elegant, it presents a living room, with cleverly built-in bookshelf and entertainment unit, flowing to a dining zone. A magazine-worthy kitchen showcases pale stone surfaces, Smeg cooking appliances, an integrated dishwasher and soft-close storage, while just outside an entertainer's deck under an electric awning offers a great place to dine alfresco. Bookended by gardens, the abode greets the street with a row of magnolia trees, while a sizeable, shaded and paved area broadens entertaining credentials at the rear. Relaxing double bedrooms share a stylish central bathroom, featuring a rainfall shower over a bath, plus there's a powder room and concealed laundry. Heating, cooling, handsome timber flooring and driveway parking for multiple cars, including a carport, add extra appeal. Close to transport, schools, cafes, parks, Pascoe Vale Outdoor Pool and Gaffney Village, this winning home also benefits from sought after Strathmore College zoning.
