Secure your slice of the Great Australian Dream with this gorgeous fully renovated four-bedroom home in Towradgi. You'll fall in love with this place from the moment you lay eyes on it. From the beautiful blue weatherboard and the white picket fence to the charming front porch and the fresh interiors, this is truly a home that is ready for the next family to move in. Step inside to the large open plan, light-filled living area that combines a lounge, dining and kitchen and flows effortlessly to an undercover alfresco dining area and deck with shade sail. It has all the cosy features including a reverse cycle air-conditioner and downlights, and timber floors under foot to cope with the sand from a day at nearby Towradgi beach. Outside a lush green, flat low maintenance lawn is perfect for the kids and the perimeter gardens are ripe for the green thumb to add their own touches. There is also a garden shed. The beautiful kitchen features a stove, oven, microwave and dishwasher. With quality finishings including Caesar stone bench tops, a stone sink, plenty of cupboard space and pantry, this is an entertainer's delight. Enjoy your morning at the kitchen island and breakfast bar. The home also features three great-sized, carpeted bedrooms with ceiling fans. The study at the rear of the home can also be used as a fourth-bedroom. The modern bathroom has a shower over the bath. As one of the northern Illawarra's most sought after suburbs, Towradgi is a short drive away from some of Australia's best beaches, close to major retail centres in either direction, and a flat stroll to the local beach.
