Generous dimensions of this inviting modern home are complemented by an appealing private courtyard space that includes an elegant terrace entrance. Such a setting enhances the indoor-outdoor character of a living/dining area where sliding glass links to the terrace while an open-plan kitchen that defines one wall is distinctive in its design, exceptional in its details, contemporary appliances and cabinetry. 3 double bedrooms feature a luxuriously large main bedroom with a walk-in robe, your very own bathroom that's beautifully fitted and finished. A larger than normal double lock up garage means it can cater for those of us who have large vehicles and or need extra storage space. Desirably positioned opposite established residential family homes in a quiet part of Eucalyptus Drive, Highpoint is quickly, conveniently reached while the green expanses of Medway Golf course are a mere five minute walk away. A fabulous first home, an intelligent investment or even a desirable way to downsize - attractive from so many angles!
