This well built 1990 brick and tile home is in original condition and has unlimited potential to unveil. Privately tucked away on a battle-axe block in a quiet cul-de-sac the property adjoins reserve at the rear and overlooks commanding views of sand, surf ocean and headland. On ground level the oversize double lock up garage with internal access has additional workshop space with benches plus a separate studio/multi-purpose room adjacent. Upstairs includes 3 bedrooms with robes plus generous size study that could be easily converted to a 4th bedroom, open plan family room features raked ceilings, slow combustion wood fire and reverse cycle a/c. Extending off the living is a large front balcony. The spacious kitchen has gas cooktop, electric oven, dishwasher and plenty of storage. Master bedroom includes walk in robe and ensuite with external access door to private covered rear deck. The home is set back on the block which enables extra parking space for a boat or caravan and the location is surrounded by coastal walking tracks which link up to both the beach and golf course. Building and Pest inspection reports available upon request.
