Introducing 13 Glendonald Rd, Churchill—a modern 3-bedroom brick veneer home designed for contemporary living. This stylish property offers an open plan layout, a single garage with a remote-controlled door, all situated on a generous approximately 608m² lot. The property comprises three bedrooms, providing comfortable accommodation for the whole family. Each bedroom is spacious and can accommodate various furniture arrangements, allowing for personalization and comfort. The home also features a bathroom that combine functionality with contemporary design elements. Situated in Churchill, this home benefits from a convenient location with easy access to local amenities. Shops, schools, parks, and public transportation options are within reach, making daily errands and commuting hassle-free.
