Finished to the highest standard and no stone left unturned, every space of 13 Goldwyn Close has been carefully considered to create this tranquil sanctuary. There is something for every member of the family in this home measuring over 254m² underroof including three separate internal living spaces, outdoor entertaining overlooking the pool, powered shed, landscaped gardens and a meticulous lawn. With everyone in mind you'll love spending time in the main living area comprising the kitchen, dining and lounge spaces all opening to the outdoor entertaining area. The Black Duck built kitchen is an impressive, functional space, featuring a large island bench with breakfast bar, walk-in-pantry from the garage and quality pyrolytic oven and induction cooktop. If you're looking for somewhere to unwind you'll delight in the homes media room, being the perfect place for nights in and enjoying the footy on the big screen. Onto the more private spaces, the master suite boasts a private parents retreat at the rear of the home, boasting a lavish ensuite with twin vanities and a large walk-in-robe. The remaining three bedrooms are clustered together at the front of the home creating a kids wing, each bedroom with a built-in-robe. This part of the home features the main bathroom with separate toilet, rumpus room just for the kids and a separate study. This immaculate homes is also fully air conditioned. You will be lured outside to enjoy our beautiful climate on the rear entertaining area seamlessly connecting with the internal living spaces thanks to corner stacking doors. Summer is well and truly taken care of, featuring an inground pool, being the perfect spot to cool off and keep kids entertained. There is also an 6m x 6m powered shed with direct street frontage and 2.7m high access. Gardens of the home are fully irrigated, with a bore to keep everything green. The home is powered by the 6.5kW solar system and generator switch has been installed to give comfort of power continuity during our Queensland summer weather. Presented to the market for the first time, this complete package can only be described as a tranquil sanctuary. Loaded with premium finishes and maintained to the highest standard, there'll be nothing for you to do but simply unpack and begin enjoying all this home has to offer.
