Enjoy the very best of Maclean living with this fabulous and flawless near new home. Just 4 years young and presented as good as new, this home is ready for you to move in and make your own. Located on the high side of St Joseph's School and with views of the short walk down to the town center and river beyond, this home resides in a very quiet and green location, yet with all the convenience you could wish for with Maclean on your doorstep. There's no shortage of quality in this build either, be it the open plan design and tall ceilings that give such an abundance of space, louvre windows, lovely timber verandah, stunning porcelain floor tiles, quality kitchen with stone benchtops, not to mention ensuite and third WC.....Homes of this standard don't become available often in this price point, so call our Sales Team today to arrange your inspection as it's sure to sell fast.
