About The Builder
Quality Australian family-owned award-winning builder with decades of experience & a great reputation building quality homes.
About Bawse
We are an Australian-owned Sydney-based boutique agency that engages in all real estate services. We specialize in brand new built homes - dual occupancy, duplexes, project homes, custom homes, knockdown rebuilds & property development. We have in-house mortgage brokers who have access to 40 to 60 different lenders. We design Home & Land Packages in conjunction with a select group of award-winning Builder Partners to suit any budget. Our team of Property Specialists source vacant land for our clients' builds in NSW, QLD, WA, SA and VIC. We can design homes to suit any block you may already have & ensure the entire project falls within your budget and is approved by council. We also manage our clients' investment properties ensuring that we have tenants ready to move in right after key handover from our builders - this way you don't miss out on any rental income.
Come experience the difference.*
