With a seamless and spacious blend of indoor-outdoor spaces, an easy-care allotment, and a location that has you enjoying the convenience of parks and playgrounds at either end of the street and all the benefits of Aurora Village a short walk away, this peaceful, light-filled haven is bound to impress. Set within the prestigious Aurora Estate, the family-friendly layout introduces a ground floor offering a main bedroom with a deluxe ensuite and fitted walk-in robe, a spacious lounge/media room and an expansive open-plan living-meals. On the first floor a spacious retreat, large enough for a sofa, TV and a desk, sits central to three bedrooms, all with built-in robes and sharing the family bathroom. In-demand extras include ducted heating and vacuum, multiple split system units, ceiling fans, video entry, security cameras, under-stair storage, large laundry with walk-in linen storage, alarm, remote double garage with fitted storage, workshop space and fitted storage and a shed.
