Overlooking the stunning views across the Upper Gully Ridge and out towards the city lights, this beautifully presented, open plan home is full of natural light and comes complete with all the essentials for the ideal Hills lifestyle. Split level in design, the home boasts striking cathedral ceilings, elevated even more over the kitchen, giving an instant wow factor upon arrival. There are three bedrooms, the master with updated ensuite whilst the other two rooms are ideal for children, guests or work from home set up. Spacious in both size and ceiling height, the living room connects easily with both the dining area and the kitchen whilst allowing you to stare out through floor to ceiling windows at the views beyond. Ducted heating runs throughout and along with evaporative cooling and a cosy wood fire, gives perfect temperature control no matter what the weather is like outside. Spanning the full length of the house, the front balcony is a special place to enjoy the golden sunsets and spend time with family and friends. A double, end to end garage plus car parking bay for four cars and a sealed driveway makes parking easy and although being on an elevated block, there is room for a trampoline, swing set or the like. Within an easy walk to Upwey's main street, train station and local schools, there is nothing else to do here except move in, relax and enjoy the panoramic views!
