\$720.00

This 2 storey home has 4 bedrooms with 3 upstairs and 1 downstairs. There are also 2 bathrooms with 1 being downstairs and the property also has 2 kitchens and 2 living areas with 1 of each being downstairs. Fantastic property for a family with an older child or separate couples as there is a complete flat downstairs. Upstairs has beautiful floorboards throughout the living area, hallway and bedrooms. The top level back bedroom has built ins and the 2nd upstairs bedroom has a large storage cupboard. All the upstairs bedrooms have ceiling fans and the upstairs living area is air conditioned. The property has a remote controlled double garage and a good sized fenced backyard. Pets on application and please contact our office for a viewing.
