This home is big! It's bigger than big - it's enormous. Step up to a whole new level of living with this gargantuan home that will impress on an epic scale. Set up high on the block, you will need to take a few steps up to make it to the formal front porch and entry to the home. At the front is carport parking for 2 plus an extended gravelled driveway where you could park at least 3 more. Inside the home is an expansive open plan living and dining area with masses of tiled floor area to cover and a gorgeous kitchen with wrap around counters of stone plus a central island work bench and quality fittings throughout. Down the hallway you will discover 1,2,3,4 bedrooms - the master is complimented with an ensuite plus a stunning walk in robe decked out with custom cabinetry. The remaining rooms all have tiles, ac and a built in robe along with a large sliding window to let in the breeze. The main home has two bathrooms, each is stunning. The master has a bath tub and shower plus separate toilet and just across the way is the laundry room with built in storage and work bench. Running down the side of the home is an enormous outdoor entertaining area that looks over the equally enormous yard space. Though easy care, there is grass for days and so much room for the kids - pets - bikes - boat - you name it!. In addition to this monster of a home, there is a self contained granny flat with open plan living areas, kitchenette and bathroom facilities.
