Nestled in a peaceful pocket, this enduring family home offers unwavering single-level comfort, impressive space and the potential to incorporate contemporary elements in the future if so desired. Immaculately presented and bathed in natural light, the thoughtfully designed 3 bedroom, 1 bathroom layout encompasses a north-facing living/meals area, original kitchen and large family room – highlighting zoned living. Timber floors and exposed beams add further character to meticulously maintained spaces while fireplaces, split system heating/air-conditioning, greenhouse, huge 4 car garage/workshop with kitchenette and 6 off street parking providing further convenience and functionality for everyday living. Perfectly positioned just moments to Mountain Gate Shopping Centre, parks, Mountain Gate Primary School, cafes and more.
