After a complete renovation, 13 Mel Street on Macleay Island is up for sale! From top to bottom, this home has had the works with new paint to the new floor coverings throughout this beautiful four bedroom home! Walking through the front door you will find the lounge room with ample space for the family. Attached is the dining room and the recently renovated kitchen giving the home the style it deserves. The property is complete with four Bedrooms all with ceiling fans and built-ins, along with new carpet and paint. The master bedroom also has had a full makeover with a completely new ensuite with ample cupboard space. Main bathroom and separate toilet have been renovated from top to bottom see there is nothing left to do but enjoy what the island has to offer. Under the house has been completely concreted giving you room for the cars and even the boat but there is still room for a workshop to be built and the laundry is also on this level. Other items, * Water tank * Solar * Automatic roller doors * Full length undercover deck
