Awash with all day sunlight, this extended period prize offers elegant easy living with clever versatility in a coveted and convenient Richmond Hill locale. Enjoying seamless flow from front to back, an inviting entrance hall reaches a skylit living area, with floor to ceiling windows brightening an open dining space and granite top kitchen with Smeg and Bosch appliances. A quiet courtyard wraps around to a sun soaked entertainer's deck, with an open northern side affording direct access for afternoons spent entertaining. Providing elevated outlooks of Melbourne's skyline, an upper terrace adjoins a sizeable study area, while a semi ensuite, walk through robe, and gas fire enrich a sumptuous main bedroom. With a rain shower and soaker tub, a luxe central bathroom serves a pair generous, robe enhanced lower bedrooms, while further highlights include hardwood floors, heating/cooling, ceiling fans, NBN, a European laundry, fireplace, and car space. A matter of steps from Richmond's renowned selection of pubs, restaurants, cafés, and shops, it's perfectly placed between Bridge Road and Swan Street lifestyle hubs, with city trains and trams, Melbourne Park, and the MCG just metres away.
