Nestled within the leafy street of one of Noosa's hidden gems is 13 Moonare Crescent a coastal inspired home that creates a calm and relaxing feel, as soon as you step inside. Polished hardwood flooring, VJ timber lined walls all creating a wonderful sense of warmth and character. The open plan design is a key feature that combines beautifully with sliding stacker doors from the main living area leading through to the outdoor covered balcony, creating the perfect blend of indoor-outdoor living. The central kitchen is the hub of the home, quality appliances, open shelving and a seamless flow to the balcony via the hopper window is ideal for entertaining family and friends. Even a wood fire in the corner of the lounge sets the whole theme of this home, comfort and easy living. Two bedrooms on the ground floor share a beautiful modern seamless bathroom, a purpose-built home office is tucked away from the main living area, natural light streams into this space that is perfect for all of your home business or work from home needs. A second living zone has been created as a tv media room or multipurpose games room. The true essence of the home has been immersed into the master suite, elevated on the first level this master bedroom is light filled with endless amounts of louver windows that allows you to look out from your bed to the treed and green outlook. Deluxe ensuite with free standing bath, frameless enlarged shower and floor to ceiling tiling, creating a true resort feel within your own bedroom sanctuary. To complete the perfect coastal escape is a crystal-clear saltwater pool, surrounding timber decking ideal for sunbathing and mature landscaped gardens and feature stone walls completing one inspiring place to call home.
