\$395,500

Situated in a sought after pocket of Diamond Creek, this is a rare and exciting proposition to build your new home in an established area. The highly useable 408sqm allotment comes complete with plans for a three bedroom two bathroom home (STCA). The close proximity to Campbell Street Reserve, Diamond Creek walking tracks, railway station and shops gives you the ultimate in amenity and convenience. With street frontage and a great location, let your creative mind take over and envision your place to call home.
