Positioned in a fabulous location of the Sanctuary Lakes Estate this home blends the elegance of family living, with the warmth of a family home. Great living and entertaining zones starting with the luxurious formal lounge, the dining area which has an abundance of natural light and the kitchen area offers a great perspective, is ideal for entertaining and offers heaps of cupboard and bench space. This 4 bedroom home includes a master with walk-in-robe and en-suit with the additional 3 bedrooms offering large built-in-robos. Featuring a large backyard that would be great for the kids along with a great alfresco area for entertainment all year round. Other additional features include, heating, ceiling fans, double garage with rear roller door access & remotes and access to the Sanctuary Lakes Facilities along with 24-hour security within the Sanctuary Lakes Estate. Call today to inspect.
