The heading says it all. A fantastic opportunity to purchase a modern home in a desirable street in the popular Calala! With the cost of house and land construction continuing to increase, we are seeing more and more clients purchasing a quality built existing home for a fraction of the price. Open plan living, an abundance of natural light, double lock up garage with internal access, and a secure yard are some of the many benefits to purchasing this home. All offers will be considered. Contact PRD Tamworth today for your inspection.
