Settle in to elevated living as the sea breezes flow through this lovely four-bedroom coastal home. Upstairs, the large, covered balcony with glass balustrade is the perfect place from which to watch the world go by. Recessed lighting makes it a great spot for entertaining guests too, and the glass sliding doors draw light and air into the spacious living room. When you want to soak up the afternoon sun, the rear deck off the dining room and kitchen, is the exquisite alternative, looking across the back garden and through to Coolangatta Mountain. This level boasts a modern kitchen, with a sleek stainless-steel gas cooker, waterfall bench-tops and a fantastic view. Two bedrooms, each with walk-in robes, plus a full family bathroom and separate toilet complete the upper level floor plan. Downstairs are two more large bedrooms, a second full kitchen, bathroom and laundry with external access to the back yard. The automatic lock-up garage houses two vehicles and internal access. Set on a large 646 sq metre block, the fully fenced back yard is private and pretty, but requires little maintenance, and includes side access and a good-sized garden shed. This versatile lifestyle home is perfectly located within walking distance of the golf course and bowling club, as well as shops and the beautiful Seven Mile Beach.
