Located in Henderson Heights, an ideally located estate perfectly positioned in the middle of IGA Goodna, the Redbank Plaza & Town Square Redbank Plains Shopping Centre. The property is move-in ready, perfect for those looking for their first home! Equally impressed will be the investors looking for a property that is extremely well-presented and tenant-ready. On to the house and importantly the block! Don't settle for smaller blocks, you'll love 13 Priestly as we're on 464m² which means more room for the little ones, human or otherwise, to stretch their legs plus it gives you a good buffer to your neighbours. Outside you'll also find the covered patio, a fantastic space for entertaining outside. Heading inside, my favourite feature is the second living area which could be used as an office if you work from home or as a media room so your living dining can be just that without the distractions of a TV. How about the kitchen? Well, it's smart, modern and well-designed. With stone benchtops, modern cabinetry, electric stove and oven plus a stainless steel dishwasher, there's really nothing left to do. If you're looking for something to move into at settlement then put this on your list. There are no leases so see out only a beautiful home waiting for a new owner! Come along to the first inspection, these opportunities never last long!
