With scenic Hinterland views, this spacious home has been meticulously designed with functionality & family living in mind. Spread across 3 split levels, the multiple living areas mean you can rest assured that each family member will have more than enough space to relax & unwind. The open kitchen flows freely to the main living area and balcony which itself, is enveloped by the views that surround. Each bedroom is equipped with built in robes & ceiling fans while the master bedroom has an ensuite and walk in. On the lower level you will find the rumpus room which opens up onto the covered alfresco making this the perfect spot for entertaining. Keep cool on those hot days in the salt water pool which is neighbored by the covered BBQ area. Or with room to park your boat or caravan, you can easily head out to the water and enjoy. The shed is accessed via its own separate driveway and provides the perfect space for you at home projects. Conveniently located close to everything, numerous parks & public transport are within an easy walking distance while the local shops, schools, cafes & M1 are less than a 5 minute drive away.* 4 bedroom home across 3 split levels* Multiple indoor & outdoor living spaces* Master with ensuite & walk in robe* Balcony overlooking hinterland* 2nd balcony overlooking pool* Downstairs rumpus with bar* Covered alfresco entertaining area* Large salt water pool with BBQ area* Separate driveway to shed* Parking for a boat or caravan* 16 solar panels* Walk to public transport & parks* Schools, shops, cafes, & M1 less than 5 mins away
