This near-new home boasts 4 excellent sized bedrooms, 2 living areas and is located on a great sized block in Lucas. All bedrooms include built in robes, with the master bedroom at the front of the home with walk in robes, 3 bedrooms toward the rear with 2nd living area and study nook/ entertainment alcove. Central Heating throughout and split system in the main living area for the warmer days. Kitchen includes walk in pantry, good sized oven, space for a double fridge, gas appliances and stainless-steel dishwasher. Water tank and inbuilt sprinkler system make looking after the lawns and low maintenance garden easy. The concreted alfresco area looks out onto a large grassed backyard which is perfect for children to run around. Close to local primary schools, early learning centers and zoned for Ballarat High School.
