Graceful high ceilings, polished timber floors and an exquisite leadlight entrance bear the hallmarks of a bygone era, while an inspired contemporary overhaul has restored and renovated, creating a collection of light filled and beautifully proportioned spaces. A gorgeous north facing deck and terrace provide an inviting connection with outside, extending through bifold doors from the open plan living room. An open fireplace complements the dining zone making for ambient dining and entertaining, and a sleek and stylish kitchen features a gleaming stone island and benchtops. Additional features include two generous bright bedrooms with built in robes, the main offers ensuite access to the wonderfully appointed bathroom, while ducted heating and cooling, a generous Euro laundry, bespoke cabinetry, a landscaped front garden introduction and convenient side access complete the opportunity. A wonderful lifestyle location, only moments from excellent quality cafes and dining on High Street, Armadale and Glenferrie Road, underscores the contemporary relevance of this esteemed Edwardian home.
