The initial appeal – Step into the epitome of refined living with this stunning De Cata Homes creation! Offering a luxurious blend of four bedrooms and two bathrooms, this residence sets a new standard for upscale living with its unmatched quality and impeccable craftsmanship. The main attraction – Imagine yourself unwinding in the formal living area or entertaining guests on the expansive decked alfresco, surrounded by the verdant beauty of the secluded backyard. Inside, the casual living zone provides a cozy haven for cherished moments with family and friends. From the sleek flooring to the chic stone finishes in the kitchen, every element of this home exudes elegance and sophistication. The main bedroom features a lavish ensuite, while the remaining bedrooms share a well-appointed family bathroom, ensuring comfort for all. Complete with a double garage, ducted heating and cooling, ample storage, and a comprehensive alarm system, this residence offers all the modern conveniences you could desire. Nestled in a tranquil no-through-road yet close to schools, early learning centers, public transport, and shopping amenities, it perfectly balances serenity with accessibility.
