In a booming Sunbury neighbourhood, this family home will ignite your excitement. Magnificent decor, an appealing colour palette & functional floor plan complements an attractive facade & manicured low-maintenance front and backyard. It's smart configured floor plan has fully equipped stone top kitchen with walk in pantry and abundant storage that adjoins spacious open plan meals area. The home's stylish interior also boasts 4 sizeable bedrooms, large master with walk-in robe & ensuite, sparkling central bathroom. Other features of the home include family sized laundry with plenty of storage, double garage with internal & external access, security alarm system, video intercom, fully landscaped, dishwasher, window furnishings, heating & cooling, exposed aggregate driveway & concrete pathways, high ceilings & high doors. Whether you're looking for your first home, downsizing or a solid investment opportunity, you simply cannot afford to miss this one!
