Usher in a bright future: this generous two bedroom home extends a warm greeting from a healthy block of approximately 502m². Presenting a living room with decorative fireplace and adjoining kitchen/dining, the freestanding residence leads out to a large covered entertaining area – perfect for parties and family catchups. Two big bedrooms with built-in robes share a gleaming modern bathroom, which hosts a huge frameless glass shower, wide vanity and toilet, plus there's a second toilet conveniently beside the entertaining area. Heating, cooling, a security system, long side driveway and large garage, with versatile bonus room handy for music, a workshop or storage, add more appeal. Featuring high ceilings and a sizeable rear garden, it's a home with a lot of scope: enhance, renovate or extend to match your desires or try something new (subject to relevant approvals). A stroll to transport, cafes, local shops, Hallam Reserve and Pascoe Vale North Primary, it's certainly in a stellar spot.
