A rich red double-brick clinker facade and attractively landscaped garden complement the period charm and contemporary style of this superb four bedroom, two bathroom home. On a tree lined street only metres to the gates of locally-zoned Balwyn North Primary and prestigious Balwyn High School, everything you could desire is close by. Warmly intimate with a gas log fire and leadlight windows, the lounge room sits separately from the open dining and family room where French doors invite you to relax under the cover of the entertainer's deck. Granite drapes the family kitchen, fitted with a St George oven, one year-old Miele dishwasher and one year-old rangehood. Assuring complete comfort, the rear bedroom features a dual access ensuite. Other highlights include ducted heating, brand new Daikin air-conditioners in two of the bedrooms and a brand new 7.2kW Daikin air-conditioner in the family room. With a two-car auto garage, leave the cars and stroll up the street to fabulous village cafes and the Doncaster Road tram which travels past leading private schools to the CBD.
