Upon entering this beautifully constructed Simonds family home, you are greeted with luxurious features. A wide hallway leads to a split level, revealing a large lounge with built-in cabinetry that adjoins the expansive kitchen/dining area. The kitchen is complete with stone benches, a Bosch 900mm oven, a dishwasher, a new black sink, double fridge space, custom built-in bench seating, and a glass pantry door. The home includes four bedrooms, with the master featuring a walk-in robe and ensuite, while the remaining bedrooms have built-in robes. The carpet and window furnishings have been upgraded in recent years, and solar panels help manage electricity bills. Outside, a large decked area and low-maintenance garden with concrete paths surround the home. Located in a prime pocket of Darley, schools, day care, kindergarten, and a sports oval are all within a couple of minutes' walk. This home is a must see and has many extras such as refrigerated cooling, ducted heating, double remote garage, patio blinds, garden shed and double remote garage with internal access.
