Nestled in the heart of the prestigious Jubilee Estate in Wyndham Vale, 13 Vessey Walk stands as a testament to contemporary living. This charming abode offers three spacious bedrooms and two well-appointed bathrooms, providing a comfortable living space for individuals and families alike. The bedrooms are designed to offer a harmonious blend of relaxation and functionality, ensuring that each resident can unwind in their own private sanctuary. Moving through the residence, you'll find an inviting living room that serves as a hub for relaxation and socialisation. The carefully designed layout seamlessly integrates a dining area, allowing for enjoyable family meals and entertaining guests. The potential for a home office further enhances the flexibility of the living spaces, catering to the needs of remote work or dedicated study areas. The Jubilee Estate not only encapsulates a comfortable residence but also offers an array of amenities to enrich the quality of life for its residents. Within the estate, residents have exclusive access to a pool and spa, ideal for unwinding and rejuvenation. For the fitness enthusiasts, a well-equipped gym is readily available, facilitating a healthy and active lifestyle. The presence of on-site security ensures a sense of safety and peace of mind. In addition to the estate amenities, the property's proximity to bus stops enhances accessibility and convenience for daily commuting and exploring the wider Wyndham Vale area. This strategic location brings forth a perfect blend of a peaceful suburban environment and the convenience of nearby transportation options, promising an enriching living experience at 13 Vessey Walk.
